This workshop offers our Oregon community of Collaborative Professionals the ultimate opportunity to collaborate – by sharing with each other what have learned, the issues we are grappling we, and our driving passions.

We will draw on the considerable home-grown talent and experience right here in Oregon. A wide cross-section of collaborative professionals will share what they have learned and are learning in focused, Ted-talk style presentations. We will then explore the presentations more deeply in stimulating group discussions. Following the workshop, we will socialize and share stories nearby at the Laurelwood Public House.

Our roster of presenters will include Kim Gordon \* Nancy Retsinas \* Tonya Alexander \* Forrest Collins \* Lee Hamilton \* Jim O'Connor \* Jill Brittle \* Tom Johnson \* Zvi Strassberg \* Herb Weisser \* Kathleen Zumpano \* Tom Bittner \* Dona Cullen \* Angela Laidlaw \* Adam Furchner \* Lisa Gabardi \* and many more.
